as of July 1, 1992. What the amendment will do is change the ban to July 1, 1994. The amendment's been agreed to by the Manufacturers' Association, Retail Merchants, Municipal League and other groups that were concerned about the law. What the bill also does is establish the White Goods Task Force to investigate and propose needed statutory, regulatory and program changes to implement the Act. The Task Force will be chaired by the Directors of the EPA and ENR. It includes members of the retailers, local governments, affected businesses, utilities and business involved in the processing, hauling and disposing of used white goods, as well as environmental groups. I'd move for adoption of the amendment.

SENATOR TOPINKA:

Yes. Mr. President and Ladies and Gentlemen of the Senate, this amendment, for all intents and purposes, becomes the bill, and it is the response and the study of the Acute Care Task Force, which has been meeting all summer on this. The bill was there for this purpose, and this is the amendment that reflects what they chose to put on to this bill, and that's -- it basically establishes a process for the review and regulation of demonstration programs to test new health care delivery models. And, you know, it is -- it is a significantly large amendment, but we will get back to that probably on 3rd Reading when we discuss the nature of the bill.

SENATOR LEVERENZ:

No, sir. I would not be that stupid. This has to do with limousines only.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Further discussion? Senator Schaffer.

SENATOR SCHAFFER:

Well, in my part of the world there are an awful lot of limos, and I have not heard any complaints. Is this a problem that we need to solve? I'm reluctant to expand the role of government in an area where I, personally, haven't seen any documentation that there's a need. Is there some compelling reason why we wish to, you know, further burden a sizable segment of our population with this?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Leverenz.

SENATOR LEVERENZ:

Yes. To respond to the good Senator's questions, I'm glad he brought that up: This business is totally geared to a democrat assisting small business, inasmuch as municipal governments are now going to increase their revenues by performing a maintenance vehicle inspection for limousines in the Chicago metropolitan area. Last year there was one. There are now at least twelve. Each one issues a sticker. If all municipalities in the metro area issued a sticker like that, you would not be able to see out of the windshield. Therefore, it would be easier to have them tested like other vehicles that carry passengers for hire, and have one test to fit all.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Schaffer.

SENATOR SCHAFFER:

Am I correct in assuming, then, that this preempts home rule

in city government, and has the effect of one test, as opposed to a -- multiple tests? Will this be one test on top of what the city is doing, or will it supersede and prevent the cities from having their own test? If so, is the -- and I don't even know if there is such a thing as a limo association, but I suppose there must be, since there's an association of almost everything else -- are they in support of the bill?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Leverenz.

SENATOR LEVERENZ:

It was one of the board members that brought the whole issue to me, and that's where it comes from. I'd be very happy to have you added to their mailing list, and give you their names so you can add them to your mailing list.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Schaffer.

SENATOR SCHAFFER:

Getting back to my question, does the amendment supersede? And -- and -- there'll be one test, and Podunk Center can't decide they want to test limos, and everybody else.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Leverenz.

SENATOR LEVERENZ:

Yes. The ordinances that I have seen, say in lieu or to fill a void where not done by the State, we are initiating our own in this municipality. So the minute we put one in place, I believe they will all go away.

resolution is adopted. Senator Carroll, for what purpose do you arise?

SENATOR CARROLL:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. If I could, to please waive the posting of notice requirement for the Tuesday meeting of the Appropriations I Committee for the following bills, and I will provide a list to the Secretary, if she does not already have one. It's the bills that both sides know were to be heard on Tuesday. Senate Bills 1733, 2029, 2008, 2031, 2007, 2023, 2010, 2002, 2028, 2023 <sic> (2003), 2024 <sic> (2004), 2025 <sic> (2005), 2015, 1607, 1880 through 1888, and 2016.

PRESIDENT ROCK:

All right. The Gentleman seeks leave of the Body to waive the posting notice so that those bills can be heard in Appropriations I next week. Without objection, leave is granted. If you'll provide the Secretary with that list, Senator Carroll, it would be helpful. A copy of the Resolutions Consent Calendar has been distributed, the Secretary informs the Chair. Madam Secretary, have any objections been filed to any resolution on the Consent Calendar?

SECRETARY HAWKER:

There have been no objections filed, Mr. President.

PRESIDENT ROCK:

No objections having been filed, Senator Di Turi would move the adoption of the Resolutions Consent Calendar with the additions that were added by consent of the Body, Senate Resolutions 1235, 1236 and 1237. Hearing no discussion, all in favor of the adoption of the Resolutions Consent Calendar, indicate by saying Aye. All opposed. The Ayes have it, and the Resolutions Consent Calendar is adopted. Ladies and Gentlemen, as promised, we will be concluding in a very few minutes, before

noon. The only thing remaining before us is a death resolution in honor of Secretary of State Michael Howlett, whose funeral will be tomorrow morning. I would ask the Members to please take a seat. I'd ask the staff to please also take a seat. Ask the doorkeepers to please keep a handle on the doors. The staff could please take a seat. Resolutions, Madam Secretary.

SECRETARY HAWKER:

Senate Resolution 1234 offered by Senator Vadalabene, President Rock and all Members.

(Secretary reads SR No. 1234)

PRESIDENT ROCK:

Senator Vadalabene.

SENATOR VADALABENE:

Thank you, Mr. President and Members of the Senate. If ever there was a second father here on earth, Mike Howlett was my second father. I worked for Mike for four years, and the order that he gave you -- when you appeared before him, he said, "You can have this job as long as you want, but you have to be honest." I'm going to miss Mike Howlett. When I campaigned for the Legislature in 1967, Mike Howlett went personally into five counties and made speeches on my behalf. As a little Italian from Madison County, I'll never forget Mike. I lost a great friend, and I lost a great public official. Thank you, Mr. President.

PRESIDENT ROCK:

Senator Geo-Karis.

SENATOR GEO-KARIS:

Mr. President, Ladies and Gentlemen of the Senate, I knew Mike for many years. Mike came from my old west side where I was raised. One of the things I want to tell you about Mike: Mike was a very humane, compassionate and kind individual. I had taken a driver's test in Waukegan and the driver's -- driver's test employee was an elderly lady, but very nice and very courteous. I

said, "If ever I can help you, you've been so nice to me, let me know." About a month later she called me and she says, "the county chairman" - that was a Democrat county chairman - "wants to replace me with someone else." So I came up to see Mike, and I said, "Mike, what are you going to do about this? Here's a person who reflects your office so well, and so courteously, and very capably - are we going to hold her age against her?" Mike said, "Let me know her name," and what have you. I want you to know he restored her job to her, and I got the biggest thank-you card from her, but it was really Mike who did it. He was a fine Gentleman. And I may be a Republican; he was Democrat, but he was a decent human being, and we are all going to miss him and what he stood for.

PRESIDENT ROCK:

Senator Carroll.

SENATOR CARROLL:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. Like Senator Sam, "Himself" was very, very close to me and my family; "Himself" being the name that his loved ones always referred to him as. We all know Mike. We know what a phenomenal personality he was in Illinois politics and to the people of this State. I think I'd like to just share with you what his wife, Helen, told me when she called me to tell him -- to tell me of his passing. Typical in Howlett fashion, "Himself" was not doing well the last couple months. His speech was impaired. He could barely talk at times. And yet last Thursday, his speech totally returned to him, and he had each of his children, each of his grandchildren and his one great-grandchild come in Thursday, Friday, Saturday - spent some time with each one of them, spoke to each one of them, spent time with Helen on Sunday, and then, in Howlett fashion, said "Good-bye" and went to sleep. He will be remembered and loved by all of us for a long time.
