Thank you, Mr. President. This is the amendment that we promised the committee at the time the bill came out. The amendment is as a result of the suggestion of the Illinois State Bar Association, which removes their -- if adopted, will remove their opposition to the bill. It operate -- it moves the bill's operative language from the Dissolution of Marriage Act, paragraph 503(d) to paragraph 503(g). What this does, without getting in a too lengthy an explanation, is to allow the court to consider the conduct of a party when a -- an aggravated battery or a sexual assault is committed against the child, and this would allow - under the amendment - allow the court to decide to impose a constructive trust on jointly held property for the benefit of the injured child. I would ask for its adoption.

Senator Cullerton.

SENATOR CULLERTON:

Thank you, Mr. President, Members of the Senate. This amendment is identical to a bill that we passed last year, House Bill 298. And it was amendatorily vetoed by the Governor. It was -- the amendatory veto was accepted in the House, and for some reason we did not call it in the Senate. So what this amendment is is identical to the bill, as amendatorily vetoed by the Governor. And it deals with -- and it's appropriate that we consider this now. You may recall this came up last year when the Chicago Bulls were involved in the championship game out in Los Angeles, and it came to our attention that the State of California was taxing the income of the Chicago Bulls when they played in California. And we, in the State, in effect, were losing that revenue, because those athletes were able to take a deduction on their State income tax. So what this bill does is to impose the State income tax on performances in Illinois by professional athletes who are residents of states that impose a comparable tax on performances by Illinois athletes. And it begins the 1992 tax year. It only applies to -- as I said, only applies to athletes who are -- who are domiciled in states that have a similar tax. I would be happy to answer any questions, and I urge that we adopt the amendment, and when we pass the bill, I can explain it

amends the Illinois Vehicle Code, and what it does -- it would require out-of-state rental car businesses to operate under the same restriction Illinois businesses must operate; and it prohibits the sale of collision damage waivers; and provides a renter's maximum liability for physical damage to the vehicle cannot exceed two hundred. We were just shown this amendment a couple of seconds ago.
What -- what happens in the County of Cook regarding the receipt
of grants if this amendment is put on?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Keats.

SENATOR KEATS:

There -- there are no real grants like this. They'd have to
be applied for. As you remember, the County Board has chosen to

STATE OF ILLINOIS
87th GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

do away with the Regional Superintendent. Therefore, he is not there to do it. It is not another group that can apply for the grants. It is only that one position that will no longer exist.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Berman.

SENATOR BERMAN:

I -- I think you're -- you may be mistaken. The problem is that the expiration of that office is, I believe, August of 1985 <sic>. This bill takes effect either immediately or in January. You're going to have three years of grant applications that the County of Cook is being cut out from. I -- correct me if I'm mistaken. Unless you want to -- can we take the bill out and look at it, and recall it tomorrow, Frank?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Keats.

SENATOR KEATS:

Can I do the one correction, 'cause when you understand, I don't think it's controversial. The school districts are not excluded from doing it. No one would be excluded. It doesn't stop any district from applying for the grants. All it says is the regional superintendent won't -- that's all it says. No school districts excluded. It doesn't limit any -- Cook County and the City of Chicago district could apply. There are no limits like that.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Berman.

SENATOR BERMAN:

Well, I'd either ask to withdraw it, or agree to recall the bill to make this amendment effective August of 1995. I'm just concerned as to what's going to happen in the three years while he's still there.

PRESIDING OFFICER: (SENATOR DEMUZIO)

STATE OF ILLINOIS
87th GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

119th Legislative Day

Senator Keats.

SENATOR KEATS:

Cook County is not excluded. All we are doing with this amendment is just not allowing Superintendent Martwick, who the County Board, virtually unanimously, has done away with the position. We're simply not allowing him to step in between the school districts and the State Board. See, without this amendment, Superintendent Martwick then can intercede between the districts and the State Board. The County Board has done away with the position. All this does is set it up so that the school boards can apply. It doesn't limit anyone. Takes no money from anyone. Doesn't keep them from doing it. It just makes sure Superintendent Martwick doesn't intervene between the City of Chicago and the State Board.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Berman.

SENATOR BERMAN:

Well, Senator Keats, again, I would ask if you either withdraw it, because if this is good for downstate regional superintendents to facilitate the obtaining of grants, then it ought to be good for at least the next three years in Cook. Otherwise, put in an amendment to make this amendment effective the date that Martwick expires. That's -- that would be fair enough. I'm not sure where it helps or where it hurts, but as long as he's there he ought to have the same status as we're giving to the downstate superintendents. Why don't you take it out and we'll -- if it's meritorious, he'll recall the bill.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right. Further discussion? Senator Lechowicz.

SENATOR LECHOWICZ:

Thank you, Mr. President. Senator Berman is absolutely correct, and for Senator Keats' information, the County Board did

STATE OF ILLINOIS
87th GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

not eliminate Martwick's office, as of today. What they did is they cut his appropriation substantially, but there is no way that the County Board can eliminate his position, because he's elected to it. And what Art is referring to, that's the date of the termination of his elective office. And what you're doing with this amendment, you're excluding Cook County from providing grants to the school districts that are in need of those grants. And I would hope that this amendment would either be withdrawn or defeated.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Further discussion? Senator Rock.

SENATOR ROCK:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. I would hope that Senator Watson and/or Senator Keats would heed the admonition. This, as I understand it, the proposal, as amended, is a proposal from the regional superintendents to afford them authorization to receive grants. And the question then is a logical one. If every other regional superintendent is afforded this authority, why not the regional superintendent of Cook County? It simply doesn't make any sense to exclude the Cook County regional superintendent from a bill which authorizes every other superintendent to do something.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Further discussion? Senator Topinka.

SENATOR TOPINKA:

Well, yes, Mr. President. A question of the sponsor, if I may. Does this amendment address at all the difficulty that the State Board is having, as are suburban Cook County schools, with the Regional Superintendent, Mr. Martwick, not funding lunch programs in suburban Cook County schools?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Keats.

STATE OF ILLINOIS
87th GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

119th Legislative Day

June 17, 1992

SENATOR KEATS:

That could be all part of it. I'm sure there is a concern from the suburban and city districts that if Superintendent Martwick decides that he wants to apply for these grants, instead of the City of Chicago, or the City of Oak Park, or the City of Evanston, that he would have an interesting habit of keeping some. Therefore, the County lowering his budget would be irrelevant. He would start taking these State grants after he applied, technically, for the lunch program in Oak Park.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Topinka.

SENATOR TOPINKA:

To -- to the amendment: I would support it, for the simple reason that this problem, indeed, does exist, and if -- if Superintendent Martwick is not using his funding already to -- to undercut suburban school programs in -- in Suburban Cook County, I can't see why we should give him any more funds through a granting program, because these are obviously not going to where they ought to be going - the monies, that is. And the State Board of Education, after at least two attempts that I know of, in trying to get him to -- to pay for these programs, for which he is responsible, is getting nowhere, and if that's the case, I really don't think we ought to include him in this program or any others.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Further discussion? Senator Lechowicz, for a second time.

SENATOR LECHOWICZ:

What, I think we -- thank you, Mr. President. I think what we have to do is really address the issue of how the grant money is spent. And there is no elected official that can apply for grant money and then spend it in his or her discretion. When you receive grant money, there's exactly how that money is supposed to be spent. What you're doing with this amendment is eliminating

STATE OF ILLINOIS
87th GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

119th Legislative Day

Cook County in getting grants for its school districts, and I think that's wrong.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Further discussion? If not, Senator Keats, do you wish to --
Senator Keats.

SENATOR KEATS:

Senator Berman, now I'll say, we will check. If the bill -- if this amendment would exclude a school district from getting money, then we don't want it. It is our understanding it won't do that. I will withdraw it, and with the understanding, if it does exclude schools from getting money, we're not for it either. We just want to make sure that the money that's supposed to go to school districts doesn't go to subsidize an office that we're abolishing. So I will pull it out as a courtesy to those in question.

Any amendments from the Floor?

ACTING SECRETARY: (MR. HARRY)

Amendment No. 1 offered by Senator Dudycz.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Dudycz.

SENATOR DUDYCZ:

Thank you -- thank you, Mr. President. Amendment No. 1 to House Bill 3456 applies the Property Tax Extension Limitation Act - the tax cap -- hello -- Property Tax Extension Limitation Act - the tax caps - to Cook County. It begins with the 1993 extensions, based on 1992 levies. That is next year's tax bills. And it takes out the requirement that allowable extensions would be determined using prior year EAV, which we placed in last year's tax cap legislation for Collar Counties. And it deletes everything previously.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Rock.

SENATOR ROCK:

I'm not sure everybody understood what Senator Dudycz is trying to do here with Amendment No. 1, but I consider Amendment No. 1 hostile. And I would ask the Gentleman to withdraw it. That is a battle that can yet be fought another day. Amendment

No. 1, as I understand it and have seen it, incorporates the provisions of Senate Bill 1474, which is still sitting on page 39 of our Calendar, having failed to receive sufficient votes to move it out of this Chamber. The concept has not gotten any better since that time. As a matter of fact, in my judgment, it has gotten worse. And it's worse when it's to be applied to this bill, because I hope you realize that House Bill 3456 is an attempt to provide tax relief this year - not next year - this year for the homeowners of Cook County, in that it purports to raise both the homestead exemption and the senior citizen exemption, in light of the fact that there has been a reassessment in the entire City of Chicago and there has been a dramatic increase in the equalized assessed valuation. And so we are attempting to provide some immediate tax relief. Even if -- even if Amendment No. 1 got on, that does not provide any tax relief until the following year. So I would ask the Gentleman to please withdraw it, given the fact that this is hostile to what we are trying to do to afford some immediate tax relief to your constituents and to mine. And I would urge opposition, strong opposition, to Amendment No. 1.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Any further discussion? Senator Keats.

SENATOR KEATS:

Senator -- Senator Rock, a question of the sponsor of the original bill, which clarifies something on the amendment.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

What's your question? Senator Rock.

SENATOR KEATS:

The bill, as drafted, is it -- is it an unfunded mandate? Have we bypassed the Mandate Act? Because that -- that affects the amendment too.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

STATE OF ILLINOIS
87th GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

Senator Rock.

SENATOR ROCK:

House Bill 3456, as it sits before us, without respect to Senator Dudycz's proposed amendment, does not fall under the ambit of the Mandates Act. There is, as a matter of fact, an express disclaimer contained in this bill.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Keats.

SENATOR KEATS:

So that the original bill is an unfunded mandate, but what this does, in reality, then, applies the tax cap freeze. So what you're really arguing is that an unfunded mandate would be a better way to solve the tax problem than this amendment, which in reality allows for limitations, but not an unfunded mandate. I would ask that people support the amendment.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Any further discussion? Senator Dudycz, to close.

SENATOR DUDYCZ:

Well, Senator Rock, I appreciate your joining us in trying to provide some property tax relief to our homeowners, specifically the homeowners and the senior citizens, and I'm not interested in removing any of those provisions. With the commitment from the Senate President that we will have a roll call on Senate Bill 1474 under Consideration Postponed, I will withdraw my amendment at this time.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Gentleman withdraws his amendment. Any further amendments? Let's go. Any further amendments? 3rd Reading. Point of order. Who's raising the point? Senator Rock. Senator Rock.

SENATOR ROCK:

Amendment No. 1 offered by Senator Savickas.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Savickas.

SENATOR SAVICKAS:

Yes. Mr. President, I don't want Senator Topinka to jump up and get excited. This Amendment No. 1 should just designate that area agencies on aging are providers of necessary preventive services and nutrition services. This is not the funding amendment that we've been considering or that's been brought to my desk, and yet obviously, there's not much agreement on it at this point. So at this time I will be just offering this Amendment No. 1 and moving the bill on until we could further sit down on the funding part. So I would move its adoption.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Any discussion? Senator Fawell.

SENATOR FAWELL:

Thank you very much. Will the sponsor yield for a question?

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Indicates he will.

SENATOR FAWELL:

Senator Savickas, I've got the bill in front of me, and what you're saying now is, for purposes of this Section, home-delivered meals provided to eligible individuals through a nutritional -- through a nutrition provider funded by an area agency on aging shall be deemed a necessary preventive service. Is that right?

STATE OF ILLINOIS
87th GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

119th Legislative Day

June 17, 1992

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Savickas.

SENATOR SAVICKAS:

Yes, Senator Fawell. It's -- Well, we're saying that it -- it's like those services that are preventative that are -- there's about a dozen now: home health services, home nursing services, homemaker services, chore and housekeeping services, day care services, education in self-care, home-delivered meals. And research shows that it's more cost-effective to provide these services to maintain the elderly in their home, and providing meals in their home is probably a better way to keep them alive and functioning than putting them in some institution and watching over them. And it's also cheaper. So that's all we are doing at this time. There is a proposal - it's not an amendment - that I -- I have not seen in an amendment form, but there is a proposal for a funding mechanism to change the allocation that would probably be disruptive to suburban areas, and as a representative of a suburban area, I am concerned about that too. So I'm not prepared to even deal with that at this point.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Fawell.

SENATOR FAWELL:

Senator Savickas, I couldn't agree with you more, but that is not what your amendment does. Your amendment says that the Meals on Wheels, in effect - in which that's what you're talking about - must be provided now through a nutrition provider, which is funded by the area agency. Now, my -- my question is, what's your definition of a nutrition provider? In -- in my county, and in on -- and I know in a lot of counties, those are done by -- by townships. The meals are cooked in the township office. They're not nutrition providers, per se. They are -- they are people who are cooking meals to deliver to these seniors. There is no

nutrition provider, and -- and -- and, you know, I don't think this is, frankly, what you want to do.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Topinka.

SENATOR TOPINKA:

Yes. A question of the sponsor, Mr. President.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Indicates he'll yield.

SENATOR TOPINKA:

Yeah. I'm happy to see that you have held Amendment No. 2 for further discussion, but No. 1, which was supposed to be just technical, I would have a tendency to agree with Senator Fawell - looking at the language - that this goes far and away beyond just being a technical amendment. In fact, in the committee you agreed not to amend this bill at all. You know, you said it was going to stay -- stay in toto. When I next got the word, there was just a technical amendment, which I could understand. This is substantive, and I'm -- who signed off on this particular amendment? Our area agencies? Our council on aging? Our townships? Anybody who provides home-delivered meals? What is your support for this amendment?

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Savickas.

SENATOR SAVICKAS:

An area agency -- the amendment -- the amendment is by an area agency, which is either designated, I guess in some of the areas as the Department of Aging, or -- I don't know in your community who delivers the meals, but that's the area agency that's designated.

Does this amendment, in any way, preclude anyone outside of an area agency from being able to compete in this field in any capacity?

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Savickas.

SENATOR SAVICKAS:

No, Senator Topinka, it isn't. It is the same amendment we put on the Senate bill that ran out of here, like 58 to nothing. It has no -- it doesn't, in any way, deviate from the previous amendment that we put on the Senate bill.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Fawell, for the third time. Been twice already. Senator Fawell, please.

SENATOR FAWELL:

Thank you very much. Senator Savickas, I -- you know, I have delivered these home Meals on Wheels. What you are doing is indeed a -- a major change in these services. A nutrition center is -- is an entirely different thing than what we do in the rest of the State. You know, you may have nutrition centers in the County of Cook, but we do not have them in the rest of the State. It is not a good idea, and -- and I am going to ask you to withdraw this amendment, and -- and -- as you promised in committee.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Savickas, to close.

SENATOR SAVICKAS:

Well, evidently there's a lack of communication between the administration's departments and the administration's leading spokesman on this area. This amendment was originally prepared by the Department of Aging to be put on my original bill to bring it into its proper form. They did not support the proposal, because of the cost, but they did want this amendment on the original

bill, because that would bring it - in their eyes and in their idea - in proper form. That is your own Department of Aging. Now, all I'm trying to do is bring this bill into its proper form, whether we add the funding mechanism or not, to have the bill in its proper form. And if you have an argument, Senator Fawell, I would suggest you call the Department of Aging and ask them why they are using this terminology.

PRESIDENT ROCK:

Senator Welch, on Committee Amendment No. 1.

SENATOR WELCH:

Thank you, Mr. President. What Committee Amendment No. 1 did was flush out the bill by amending the definition of "Recyclable Markets Business." It also added language defining what a recyclable market commodity was, and added provisions limiting the findings of legislative intent to certain matters of practicality. I'd be glad to answer any questions on the bill.

PRESIDENT ROCK:

All right. Senator Welch has moved the adoption of Committee Amendment No. 1 to House Bill 4112. Discussion? If not, all in

Senator Geo-Karis, on Amendment No. 1.

SENATOR GEO-KARIS:

Mr. President, Ladies and Gentlemen of the Senate, Amendment No. 1 was suggested by the Judiciary Committee, and it -- it amends -- on page -- on page 1, on line 5 -- line 13, rather, by deleting "detained" and inserting instead the following: quote, "placed in a jail, municipal lockup, detention center or secure correctional facility," end of quote. And also on page 2, in line -- in line 14, paragraph 4 shall read, "No minor taken into temporary custody shall be placed in a jail, municipal lockup, detention center, or secure correctional facility." And then we amend it by adding a paragraph in line 19, that says -- paragraph 4, we deleted lines 21 through 26, and inserted a new paragraph, which says, quote, "(4) except for minors accused of violation of an order of the court,..." et cetera, et cetera. And so I move for the adoption of this amendment.
