SENATOR RUTHERFORD:

Mr. President, thank you. If I could have the attention, just for a moment. We've got a special guest here with us today. As you may recall, President Jones, myself and a delegation from Illinois went to the great country of South Africa a few years ago, and at that time, Governor Ryan opened a trade office there to help us particularly with the sub-Saharan, part of Africa. And today as a special guest, is a member of the Parliament from that country, Mr. John Jeffery. Stand up, John. John is a member of the ANC political party, which for those of you that may know a bit of the history, that's in which Nelson Mandela helped found and present. He's from the -- KwaZulu-Natal area, and to the Members of the Senate, please welcome Parliament John Jeffery.

PRESIDING OFFICER: (SENATOR HALVORSON)

But I'm here to tell you that we're going to shock everybody and we're going to beat the House today at 5 o'clock in honor, in honor, of President Emil Jones and Leader Watson. That's what we're going to do. So come out, enjoy the beer, eat the hotdogs and let's pound some people.

SENATOR SCHOENBERG:

Senator Halvorson.

SENATOR HALVORSON:

Thank you, Mr. President. Basically this bill addresses the reclassification of a vehicle's registration. It simply requires the Secretary of State to issue an owner of a vehicle who's reclassifying the registration of the vehicle from a flat rate to an apportioned rate. Before what would happen is, they would have to send their money back to the Secretary of State and then get a refund. This way now, the Secretary of State keeps whatever it is and the person just sends that much extra in; otherwise, it's just going back and forth. So, this simplifies the process if someone sends in the wrong amount for a registration. That's it.

Thank you, Mr. President, Ladies and Gentlemen of the Senate. House Bill 1490 is an initiative of the Illinois County Treasurers' Association. The bill resolves problems encountered by county treasurers when, for an example, a property owner grants an interest in a property and then presents that specification to the treasurer and requests the property tax bill be broken up amongst all those with interest in the property. Currently a county treasurer must allocate the tax bill amongst the interest-holders. This places an administrative burden on some of those municipalities in preparing multiple tax bills for the same property, and this will leave it to a decision of the county treasurer's discretion. SENATOR CLAYBORNE:

Thank you, Mr. President, Members of the Senate. House Bill 3508 is an initiative of the Illinois Environmental Protection Agency, and it just allows that Environmental Management Systems Agreements may be executed with participants in the Federal Performance Task Force {sic} (Track Program) if the provision of the -- of the Agreements are acceptable to the EPA. It deletes the provision that requires the Agency to adopt rules concerning Agreements if six or more Agreements are adopted, thus permitting IEPA to adopt rules to implement this regardless of the number of Agreements aboard. Provides that the Agency may terminate any Agreement if the participants in the Federal Performance -- Task Force ceases. Basically, all that means, that there's a Federal Performance Task Force and, basically, if there are Agreements that come about as a result of IEPA being able to adopt rules concerning these Agreements, then it gives IEPA the flexibility to enter into these Agreements. SENATOR SANDOVAL:

SENATOR SYVERSON:

Okay. I guess -- I'm a little bit lost. If -- if you falsify information on a -- on an insurance form, we already have, I think, steps in place. I think you're right. It -- it voids out the coverages and that the insurance industry can -- has -- can certainly take action against the individual. I

STATE OF ILLINOIS

guess I'm not sure where the -- how the Clerk's office comes into play between a -- between a private individual and the insurance industry in -- in falsifying those claims. I guess I'm not sure what the relationship is with the Clerk's office.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Sandoval. I assume that's a question.

SENATOR SANDOVAL:

I think the responsibility -- what -- what the Clerk of the City of Chicago is trying to do is trying to collect its wheel tax. You know, what people do -- what many people do in the City of Chicago is they provide false addresses on their insurance application so they avoid the wheel tax in the City of Chicago. What the City Clerk is trying to do here is trying to enforce its local taxing authority.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Further discussion? Senator Syverson.

SENATOR SYVERSON:

Okay. Maybe this is getting to the point then. Is the goal of this for the Clerk to be able to collect their City tax? They're trying to -- we have individuals in Chicago who are putting down a -- a fake address so they don't have to pay the City tax? Is that -- is that what we're looking at, or the..

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Sandoval.

SENATOR SANDOVAL:

Well, that -- that's clearly the -- the right answer, and also to get better insurance rates outside -- that they would receive better, favorable insurance rates outside of the City of Chicago.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Syverson.

SENATOR SYVERSON:

Last question. I -- I guess I have some -- some concerns about this. I'm not sure what laws are currently in place, and if there's a -- if there's a fraud being done, who prosecutes that and where those dollars are supposed to go to. And I guess I can't see from this two-paragraph legislation where the -- where the enforcement goes to. And so I guess -- I wish we had more information on it, but I'm -- I just -- I think there's a

lot of confusion as to what the reasoning and -- and the goal for this legislation is. But thanks for answering the questions.

Thank you, Mr. President. Will sponsor yield?

PRESIDING OFFICER: (SENATOR DEMUZIO)

SENATOR RIGHTER:

Senator, I -- I represent a university community and, like I assume all the -- all the universities in Illinois, a number of those students come from the City of Chicago. And I guess my concern or what I'd ask you to -- to help work through with me is the situation where the parents of a college student have a vehicle that the student's going to use; the student takes the car down to Charleston and then applies -- you know, wants to get a -- an auto insurance policy there, because the rates are going to be cheaper, but that's where the car is being driven; and they put their -- their house number or their apartment number or their dorm number -- dorm room number or whatever as the address on their application for insurance. The question I have for you is, are they falling -- are they -- do they fall under the scope of -- of House Bill 3522?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Sandoval.

SENATOR SANDOVAL:

I would say no because there isn't a -- a knowing intent to defraud the municipality.

According to the -- the bill reading, Senator Righter, it says, paragraph (b), "A person who knowingly violates this Section is guilty of a business offense."

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Righter.

SENATOR RIGHTER:

I guess that's the point I'm making. I mean, do they knowingly violate the Section if they put down on the insurance application that they live at XYZ Apartment in Charleston rather than in Chicago? That's what I'm asking. I mean, are -- do they have to knowingly put down a -- a -- whatever might be termed a false address with the intent to evade the taxes or do they just have to put down a different address? Because then, then I think there's a problem here, because there's -- I'm sure there's students from your district and most of our districts that are going to college and they're doing exactly that.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Sandoval.

SENATOR SANDOVAL:

Senator Righter, this bill is not aimed to go after college students or parents of college students. This bill goes after those who are trying to avoid the wheel tax in the City of Chicago and get a better insurance rate. Clearly...

All right. Further discussion? Senator Righter.

SENATOR RIGHTER:

Well, and I -- I appreciate that -- what the intent of the statute or what the statute's aimed at, but I don't know that that addresses my concern for the student who puts down the address of where they're living at college at the time because that's where the vehicle's being driven. And they would get lower auto insurance rates for that. I mean, under this bill, is that person, when they fill that out, are they going to be liable under this -- under this legislation?

As I was coming up to the stairs today, I saw hope in the Village of Maywood. I saw our future when I saw a group of seventh graders here from James Memorial Baptist {sic} Church, with Pastor and Mrs. Mitchell. Can you guys please help me welcome them to the gallery?
