school's history that the girls have been to State, and not only did they go, but they won. So that's quite phenomenal. But I thought I would tell you a little something about the community of Hinckley. The community of Hinckley hosted the first Harlem Globetrotters' basketball game in 1927, where the Hinckley Merchants actually beat the Globetrotters. So, we are glad that these young ladies have followed in the steps of the Hinckley Merchants from 1927. So, anyway, they finished the -- the school with the record -- the year with the record of thirty-one and three. They won their State championship game by a -- a score of forty-two/thirty over Winchester. Do you know where that is, Senator Sullivan? Thought you might. And with that, I'm going to have their Head Coach, Greg Burk {sic} (Burks), come up and introduce the team. Greg, are you close there? Join me in welcoming them, please.

This is an amendment which authorizes the bill in -- in essence, authorizes that a probation officer notify the State's attorney if there's a technical violation of a probation order and prior to an intermediate sanction being imposed. Thank you very much. Ladies and Gentlemen, for the last seven years - this will be our seventh year - the Sullivan Caucus has had our traditional St. Patrick's Day celebration. Representative Eddie Sullivan, over in the House; former colleague, Senator Dave Sullivan, here in the Senate; and myself, started this seven years ago. Last week, of course, was St. Patrick's Day, but because of scheduling conflicts, we could not find a location to hold our event, so it is tonight. It is this evening. The Seventh Annual St. Patrick's Day Celebration with the Sullivan Caucus. It's at Sammy's on Fifth Street. It

is from 5:30 to 8:30 p.m. Of course, as many of you know who have been there, it's a -- a great, fun event, very bipartisan, and good food, good drink and entertainment with the bagpipes and the band. And also, every year we've taken up a collection and the money that we gather we always donate it to a worthy cause, and this year the donations will be collected for the USO veterans. And -- the USO, a very well-known organization that does some wonderful things for our troops. And the collection that we will take up this evening will be for the USO. Thank you, Mr. President. I appreciate it. Hope to see everybody - you, your staffs, and friends - there this evening.

SENATOR SULLIVAN:

Thank you, Mr. President. Which bill number are we doing? There it is, 1186. 1186 and also the next bill, 1197, are shell bills, appropriation shell bills, that we are putting in position so that when the time comes for us to -- to go ahead and appropriate the federal stimulus dollars that they are in a position that we can go ahead and attach an amendment to -- to get those federal stimulus dollars.

PRESIDING OFFICER: (SENATOR MUNOZ)

Any discussion? Senator Murphy, for what purpose do you rise?

SENATOR MURPHY:

Thank you, Mr. Chairman {sic}. We understand the desire to be able to move quickly on this, but there's a little hesitation on our side, a little concern about sending empty shell bills for appropriations out of this Chamber. I would encourage everybody on our side to either be a No vote or a Present on these. Again, we're sensitive to the situation, but we think it's important that there be content. Things are moving fast.

SENATOR HENDON:

Thank you, Mr. President. Just an observation, I did turn my light back off, but I -- I just find it interesting that the Republicans are voting No, but all the rumors around here is they have a lot more in the stimulus package than any Democrat could ever imagine. So I thought it was kind of disingenuous that they would be voting No on these bills and they have -- are getting all the money. Perhaps we could redirect some of that money from President Obama to this side of the aisle.
