96th GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

39th Legislative Day

4/23/2009

SENATOR HARMON:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. I'm very pleased to be before you with an agreed bill on the Elevator Safety and Regulation Act. As you may remember, this has been the source of some consternation over the last several years. We've worked very hard to reach an agreement with all of the stakeholders. In essence, what this does is it devolves back to the local municipalities, if they want it, the ability to regulate their own elevators, as well as provide safeguards for certain major installations, that they not be imposed upon building owners and condominium owners more quickly than necessary. I know that our Republican colleagues have had some questions and -- and wanted some time to review this. My understanding is that they've reached -- you have reached a level of comfort, but I'm happy to answer any questions that I can.

PRESIDING OFFICER: (SENATOR HENDON)

The Chair would appreciate if there is brief level -- if there is a serious discussion, we need to move this on Tuesday. Senator John Jones.

SENATOR J. JONES:

Thank you, Mr. President. Will the sponsor yield? And I'll -- I'll try to hold my questioning as -- as -- as limited as I possibly can. But this is -- this is an agreed bill and -- and I stand in support of it, but I think there's some things we really need to clarify on an important piece of legislation that's been around this building for quite some time. So, if I could just ask the -- the sponsor some questions.

PRESIDING OFFICER: (SENATOR HENDON)

STATE OF ILLINOIS
96th GENERAL ASSEMBLY
REGULAR SESSION

He indicates he will yield. Senator John Jones.

SENATOR J. JONES:

Thank -- thank you, Mr. President. Senator Harmon, while the Elevator Safety Board has definitely caused some major concerns with safety -- or, with senior-occupied condos in the suburbs, there were also concerns from downstate concerning these new requirements in the Code. What is in this bill to help alleviate those costly requirements concerning those people affected in our small communities in downstate?

PRESIDING OFFICER: (SENATOR HENDON)

Senator Harmon.

SENATOR HARMON:

Thank you, Mr. President. Senator Jones, that's an excellent question. The -- the bill applies uniformly across the State. The initial concerns brought to me were from condominium owners. Having talked with colleagues from downstate Illinois in particular, you have similar concerns in smaller office buildings. This is a uniform standard that applies to all buildings. So I believe your concerns would be addressed.

PRESIDING OFFICER: (SENATOR HENDON)

Senator John Jones.

SENATOR J. JONES:

Are there any new board members that will be specified to the -- specifically from downstate?

PRESIDING OFFICER: (SENATOR HENDON)

Senator Harmon.

SENATOR HARMON:

Thank you, Mr. President. There are -- there are changes

in the board composition and there is a new board member from -- representing organized labor, who must be appointed from outside of Cook County.

PRESIDING OFFICER: (SENATOR HENDON)

Senator Jones. Senator John Jones.

SENATOR J. JONES:

Thank you, Mr. President. Will the -- can you explain what this bill will offer as the -- as the new appeal process as we go about trying to appeal?

PRESIDING OFFICER: (SENATOR HENDON)

Senator Harmon.

SENATOR HARMON:

Thank you, Mr. President. In short, Senator, what we -- we've done is devolve to the local authorities the ability to make case-by-case decisions with respect to elevators in their jurisdiction. Those can be appealed to the State Board. At the same time, the State Board can set statewide policy variances and the like that apply not on a case-by-case basis, but uniformly across the State.

PRESIDING OFFICER: (SENATOR HENDON)

Senator John Jones.

SENATOR J. JONES:

Thank you, Mr. President. And then one more for -- for legislative intent, Senator Harmon. Since this bill is being rushed a little bit...

PRESIDING OFFICER: (SENATOR HENDON)

Excuse me, Senator Jones. I'm going to insist on quiet, because we'll never get out of here if we can't hear what everyone is saying. It is my intent to get us out of here in

five minutes. So, can I have quiet in the Chamber? Senator John Jones.

SENATOR J. JONES:

Thank you. For legislative intent, Senator Harmon, since this bill is being rushed a little bit, will the sponsor pledge to -- to do a trailer bill or amend it in the House for concurrence on some of the technical changes that our staff may find in the bill?

PRESIDING OFFICER: (SENATOR HENDON)

Senator Harmon.

SENATOR HARMON:

Thank you, Mr. President. Yes, Senator. I very much appreciate everyone's cooperation in getting this over to the House so that we can meet their deadlines as well as ours. And I pledge to work with you and your staff if there are technical issues.

PRESIDING OFFICER: (SENATOR HENDON)

Senator Sullivan.

SENATOR SULLIVAN:

Thank you. Question of the sponsor.

PRESIDING OFFICER: (SENATOR HENDON)

He indicates he will yield. Senator Sullivan.

SENATOR SULLIVAN:

Just one real quick question. The amendment that you just -- that we just adopted says that it provides for local municipality control when administering the elevator safety -- when administrating elevator safety. What -- can you explain what that means?

PRESIDING OFFICER: (SENATOR HENDON)

STATE OF ILLINOIS
96th GENERAL ASSEMBLY
REGULAR SESSION

Senator Harmon.

SENATOR HARMON:

Yes, Senator. Thank you. One of the things that happened several years ago when we passed this bill was the control went from the local to the State level, with the exception of the City of Chicago, which maintained local control. What we're essentially saying is the same rules apply to everyone. If a municipality enters into a local elevator agreement with the State Board, then they will return control for the local authorities on those case-by-case determinations.

PRESIDING OFFICER: (SENATOR HENDON)

The question is, shall Senate Bill 149 pass. All those in favor will vote Aye. Opposed, vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 53 voting Aye, none voting Nay, none voting Present. Senate Bill 149, having received the required constitutional majority, is declared passed. We're going to Senate Bill 611. Senator Harmon seeks leave of the Body to return Senate Bill 611 to the Order of 2nd Reading for purpose of amendment. Hearing no objection, leave is granted. Now on the Order of 2nd Reading is Senate Bill 611. Madam Secretary, are there any amendments approved for consideration?

SECRETARY ROCK:

3rd Reading of the bill.

PRESIDING OFFICER: (SENATOR HENDON)

Senator Harmon.

SENATOR HARMON:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. The underlying bill deals with the narrow procedural case where a defendant in a litigation matter dies before the action is filed, but no estate has been created. This is still a work in -- in process. It's been before the Judiciary Committee at great length. With the indulgence of my colleagues - and I would ask for your support - I'd like to send this over to the House as a shell bill so that we can get into their flow and continue the negotiations.

PRESIDING OFFICER: (SENATOR HENDON)

Is there any discussion? Seeing none, the question is, shall Senate Bill 1716 pass. Discussion? Senator Hultgren.

SENATOR HULTGREN:

To the bill. Thank you, Mr. President. I would encourage support on this. I appreciate the -- the sponsor's hard work. This is a -- a piece of legislation I had sponsored a couple years ago. The parties are coming together, trying to get this

The question is, shall Senate Bill 1716 pass. All those in favor will vote Aye. Opposed, vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? PRESIDING OFFICER: (SENATOR HENDON)

Senator Righter.

SENATOR RIGHTER:

Thank you, Mr. President, Ladies and Gentlemen of the Chamber. Senate Bill 2009, as amended by Senate Amendment 4, would amend the Public University Energy Conservation Act and allow Eastern Illinois University to build a state-of-the-art renewable energy center on the campus of Eastern Illinois University. It would replace an eighty-nine-year-old Indiana coal-fired plant by having a power facility that will actually burn wood chips. It is an agreed bill. The nine or ten association trade groups and labor representatives we've been dealing with all signed in in favor of the bill yet this morning. And the environmental groups are also in support of the bill. I'll be happy to answer any questions, Mr. President.

Senate Bill 2009, having received the required constitutional majority, is declared passed. On your Supplemental Calendar, we have Senate Bill 366. Supplemental Calendar No. 1. Senate Bill 366. President Cullerton. Madam Secretary, read the bill. Madam Secretary, read the motion.

SECRETARY ROCK:

I move to concur with -- with the House in the adoption of their Amendments 1 and 2 to Senate Bill 366.

President John Cullerton.

PRESIDING OFFICER: (SENATOR HENDON)

President Cullerton.

SENATOR CULLERTON:

Yes. Thank you, Mr. President, Members of the Senate. We actually passed our supplemental a few weeks ago and we ran out of time to pass the BIMP. So this is the budget implementation for the spring supplemental. The provisions are needed to implement the American Recovery and Reinvestment Act, which is -- of 2009, which is the term used for the federal stimulus package. It includes some language requiring the RTA to purchase alternative fuels. It requires IDOT, in their projects that would be funded with this money, to comply with the Business Enterprise for Minorities, Females and Persons with Disabilities Act, and requires IDOT to appoint representatives to a professional and artistic services selections committee. Also, it maintains the existing transfer of funds generated from drug rebate agreements into the Drug Rebate Fund. And temporarily increases appropriations for the hospital assessment

plan. And it also allows these funds to supplement IEPA's existing clean water programs to be used to make both grants and loans to applicant communities. I don't believe there's any opposition and I would ask that we vote for this..

PRESIDING OFFICER: (SENATOR HENDON)

Is there any discussion? Senator Righter.

SENATOR RIGHTER:

Thank you, Mr. President. Will the sponsor yield, please?

PRESIDING OFFICER: (SENATOR HENDON)

Indicates he will. Senator Righter.

SENATOR RIGHTER:

Thank you. First, Mr. President, I rise in support of the bill. I believe everyone in the Chamber on our side support the bill. There is an issue that has come up, just recently in fact, since the Executive Committee passed it yesterday, and it has to do with the professional and artistic services committees language that's referenced on page 2 of the bill. Specifically, the new language says that the committees shall comply with all requirements of the Open Meetings Act. If the committees -- and here's the concern, if the committees are dealing with bids or bid language, is that going to create an issue, where, obviously, bids are supposed to be sealed or private, as opposed to having them in a -- a committee that is subject to the Open Meetings Act?

PRESIDING OFFICER: (SENATOR HENDON)

President Cullerton.

SENATOR CULLERTON:

Well, I understand that the committee was meant to be advisory in nature and, therefore, we would be able to avoid

96th GENERAL ASSEMBLY
REGULAR SESSION

that problem. But, Senator, I would suggest that if we find out that there is a problem -- I think what we should do is pass the bill and work with you on whether or not we need an -- an amendment. And perhaps we could ask the Governor to do an amendatory veto since it is -- we'd like to pass this today since it's the BIMP. And if there is a need for a change, perhaps we could do a trailer bill or even an amendatory veto.

PRESIDING OFFICER: (SENATOR HENDON)

Senator Righter.

SENATOR RIGHTER:

Thank you very much, Mr. President, for that response. And so that you know the source of the concern, when our staff reached out to the Department of Transportation to make this inquiry, they didn't have an answer. So, maybe this is just an issue of we need to talk to the Department so we're clear on what these committees will be doing. With that, again, I rise in support of the bill. Thank you, Mr. President, for your indulgence. Thank you, Mr. President.

PRESIDING OFFICER: (SENATOR HENDON)

President Cullerton, to close.

SENATOR CULLERTON:

Just ask for a favorable vote, please.

PRESIDING OFFICER: (SENATOR HENDON)

Question is, shall Senate Bill 366 pass. All those in favor will vote Aye. Opposed will vote Nay. And the voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? In the gallery, I believe on the Democrat side, there are students and one, I think, Director of Student Life from Lake Land Community College in my hometown of Mattoon. They came here to see how this process works firsthand, Mr. President. I appreciate both you and Senator Hendon showing us how the process works firsthand.
