It -- since everyone is -- in such a jovial mood, with Linda's birthday and Mike's birthday, you know, it -- I just felt compelled to just stand up and wish them a happy birthday, and perhaps, because it's their birthday, someone could call the Comptroller and have him release their seven or eight months of past due per diems for their birthday. And Mike would certainly have a very happy birthday if that is done, because, you know, he loves the finer wines and the spirits, and we could all celebrate the birthday together. Happy birthday to both of you.

Senator Sullivan, for what purpose do you seek recognition?

SENATOR SULLIVAN:

Thank you, Mr. President. A point of personal privilege.

PRESIDING OFFICER: (SENATOR CLAYBORNE)

Please state your point.

SENATOR SULLIVAN:

Ladies and Gentlemen, Mr. President, tomorrow, of course, is St. Patrick's Day and a day that I know that we all like to celebrate and honor, but this evening is our Eighth Annual Sullivan Caucus St. Patrick's Day Celebration. It is -- starts at 5 o'clock. It is at Floyd's on Fifth Street. And we -- every year we take up a collection and -- and use the money and send it to a worthy cause. This year we're -- in -- in lieu of the events that have taken place in Haiti and the -- and the terrible situation that those individuals face there, we're taking up our collection this -- this evening for Haitian Hearts. It's a program that works with children who have medical issues. And so we just hope that everybody will come. Everybody's invited. Again, this evening 5 till 9 o'clock at Floyd's, the Sullivan Caucus St. Patrick's Day Celebration. Like to welcome everybody to that. Thank you.

SENATOR RIGHTER:

You know, I wasn't writing down all of the committee times that -- as you were stating them, Mr. President, but, from my recollection, it sounds like you're affording, maybe, thirty to forty-five minutes for committees to meet and then for Members to get to their next committee. PRESIDING OFFICER: (SENATOR CLAYBORNE)

That's correct. Senator Righter.

SENATOR RIGHTER:

Okay. Thank you, Mr. President. And, you know, given the experience of the Session thus far, that's optimistic, but I know that you're an optimistic person. You're a can-do public official, Mr. President. So I know that you'll be working hard to make sure that Members that need to be there in order to move the process forward will be there on the time frame that you've announced. So, thank you, Mr. President.

STATE OF ILLINOIS
96th GENERAL ASSEMBLY

Thank you very much, Mr. President. Senate Bill 2824 limits the prohibition on "sex offenders" being in a public park or loitering near a public park to "sexual predators", as defined in the Sex Offender Registration Act, and "child sex offenders", as defined in the current child sex offender law, but excludes those convicted of criminal sexual abuse involving consensual sex when accused is under seventeen and the victim is between nine and sixteen years of age and when the victim is thirteen to sixteen years of age and accused is less than five years older. Convicted sex offenders are four times more likely to reoffend than other offenders. This propensity presents a significant threat to public safety. Current law places restrictions on where child sex offenders can reside and go. Senate Bill 2824 extends the prohibitions on child sex offenders to include being in a public park or loitering near a park. It also prohibits sexual predators, the most dangerous of other sex offenders, from being in public parks due to the danger they pose to society. Sexual predators are already subject to lifetime registration under the Sex Offender Registration Act. Public parks offer many opportunities for sexual predators and child sex offenders to have easy access to potential victims. Children and lone adults frequently use parks for recreational activities. By their nature, parks have many obscured views and other distractions that other opportunities -- or, that -- excuse me, that offer opportunities for sex offenders to access potential victims. This legislation is necessary to protect users of public parks from child sex offenders and sexual predators who use the attributes of a park to their advantage to have access to potential victims. I would ask for an Aye vote

SECRETARY ROCK:

Senate Bill 3060.

(Secretary reads title of bill)

3rd Reading of the bill.

PRESIDING OFFICER: (SENATOR CLAYBORNE)

Senator Harmon, to explain.

SENATOR HARMON:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. Senate Bill 3060 is an initiative of the Department of Natural Resources. It amends the Boat Registration and Safety Act. It corrects a -- an error in the original law as the -- as it applied to sailboats, but more importantly, it -- it expands the requirements for wearing life jackets to the sole occupant of -- of a vessel. We did amend the bill, subsequent to the first committee hearing, to address concerns raised in committee about how this would apply to -- to a fisherman using a trolling motor. I think Senator Jones may wish to ask me some questions

about that so that the legislative intent is clear. But I -- I hope that, with the amendments, we've eliminated most of the concerns.

PRESIDING OFFICER: (SENATOR CLAYBORNE)

Is there any discussion? Senator John Jones.

SENATOR J. JONES:

Thank -- thank you, Mr. President. Question of the sponsor?

PRESIDING OFFICER: (SENATOR CLAYBORNE)

Sponsor indicates he will yield, Senator Jones.

SENATOR J. JONES:

Senator Harmon, I think the clarification on the trolling motor, it says in the -- in the legislation intermittently using a trolling motor. And I think what Department of Natural Resources and you and I have come to an agreement on, we're talking about the -- the big motor on the -- on the -- on the boat being used intermittently, but when they're using a trolling motor itself, the electric trolling motor, there is no restriction on that.

PRESIDING OFFICER: (SENATOR CLAYBORNE)

Senator Harmon.

SENATOR HARMON:

Thank you, Mr. Chairman {sic}. This is what happens when you let suburbanites draft bills that apply to fishermen. You're exactly right. We are -- we are not intending to -- to limit that ability. And we certainly, I think, have an agreement in principle to amend this in the House to make the language more clear.

Senator Jones.

SENATOR J. JONES:

Also, I talked to Natural Resources this morning - Mike - this morning, and there is a question in here about private lakes, which concern me, that I didn't want a -- a farmer out here that had a one-acre lake or a three-acre lake and wanted to go out there and fish on his own pond and the game wardens are going to come out, start writing him a ticket because he didn't have a life preserver on. But it's my understanding, with -- with Mike this morning - and you probably had the same conversation - is we're going to amend that over in the House to specify what private is. Because I didn't realize it, but a private lake could be Springfield Lake here. As big a body of water as that is, we don't want people out there on that body without a life jacket on. And so, I think they're going to clarify it over in the House, and if that's your agreement, I'm fine with the bill then.

PRESIDING OFFICER: (SENATOR CLAYBORNE)

Senator Dale Righter.

SENATOR RIGHTER:

Thank you, Mr. President. Will the sponsor yield, please?

PRESIDING OFFICER: (SENATOR CLAYBORNE)

Sponsor indicates he will yield.

SENATOR RIGHTER:

Thank you. Senator Harmon, as I suspect Senator Jones does, I have a significant contingent of fishing that goes on in my district. And so I want to -- I guess I want to ask some questions about the way the bill is drafted now. Is there a definition of what intermittently is and, also, is there -- are

-- are there -- is it specific as to what motor that intermittently restriction applies to?

PRESIDING OFFICER: (SENATOR CLAYBORNE)

Senator Harmon.

SENATOR HARMON:

Thank you, Mr. President. Senator, you're clearly testing the outside border of my knowledge of this issue. But, my understanding is that the -- the primary motor for the boat could be used intermittently to move from spot to spot without requiring the sole occupant to don a life jacket. Similarly, the -- the -- the trolling motor, the electric motor that may be used to stay in one place against the current, could -- could run without forcing the -- the fisherman to put on the life jacket, even if it's on for more than five or ten seconds at a time. Again, you are -- you are getting to the edge of my knowledge of the issue, but I do believe we have an agreement in principle to clarify this in whatever way is required as the bill moves to the House.

PRESIDING OFFICER: (SENATOR CLAYBORNE)

Senator Righter.

SENATOR RIGHTER:

The other issue, Senator Harmon, was the one that Senator Jones raised about public versus private bodies of water. What -- what exactly does the bill say now regarding that issue?

PRESIDING OFFICER: (SENATOR CLAYBORNE)

Senator Harmon.

SENATOR HARMON:

Thank you, Mr. President. Right now, the bill would apply to all bodies of water, public and private. This is a concern I

raised early on with the Department as well. And I think I've -
- the position I had is coming through in the conversations
we've had with the Department since then. A small pond or -- or
-- or lake that is solely within the property of a particular
owner probably shouldn't be covered by this. A body of lake --
a body of water like Lake Springfield, a private lake that's
owned by a homeowners' association, a larger body, probably
should be. And I think that's what we're aiming for with the
House amendment.

PRESIDING OFFICER: (SENATOR CLAYBORNE)

Is there any further discussion? Seeing none, the question
is -- question is, shall Senate Bill 3060 pass. All those in
favor will vote Aye. Opposed will vote Nay. The voting is
open. Have all voted who wish? Have all voted who wish? Have
all voted who wish? Take the record. There are 39 voting Yea,
14 voting Nay and 1 voting Present. Senate Bill 3060, having
received the required constitution majority, is declared passed.
Senator Sandoval. The Senate will stand in recess to the call
of the Chair. After committee meetings, the Senate will
reconvene to receive committee reports, but not further Floor
action. The Senate stands in recess.

(SENATE STANDS IN RECESS/SENATE RECONVENES)

PRESIDING OFFICER: (SENATOR LIGHTFORD)

The Senate will come to order. Mr. Secretary, Committee
