Senate Bill 47 will allow the Department to send the notice of services by fax or e-mail. Some of you may remember this, it was discussed probably a month/month and a half ago. Senator Rose had some good questions. We worked with the Department, amended it, and I think it's ready for a vote today.

PRESIDING OFFICER: (SENATOR HARMON)

Senator Rose, for what purpose do you rise?

PRESIDING OFFICER: (SENATOR HARMON)

Senator Rose, there are no Floor amendments yet approved for consideration. When the Floor amendment reaches the Senate, we can recall it to -- to the Order of 2nd Reading for purposes of adopting the amendment. Senator Rose, for what purpose do you rise?

PRESIDING OFFICER: (SENATOR HARMON)

Senator Stadelman.

SENATOR STADELMAN:

Mr. President and Members of the Senate, Senate Bill 1859 is a bipartisan initiative designed to greatly increase the economic benefits of sports tourism to the State of Illinois - Winnebago County, Rockford and surrounding cities. This bill allows the county board in Winnebago County to impose a hotel tax of up to two percent, if municipalities that make up more than sixty-seven percent of the county's population pass resolutions in support of this tax. The revenue will help pay for a sports facility's capital project. This bill will help Rockford and the State regain its competitive edge by upgrading its facilities. The tax is supported by the local hotel/motel industry and is formally endorsed by cities throughout the county. We believe this is a good project for the State and the community. I urge a -- your support.

STATE OF ILLINOIS  
98th GENERAL ASSEMBLY  
REGULAR SESSION  
SENATE TRANSCRIPT

33rd Legislative Day

what's unique about this is this project is supported by not only those that are affected by the tax, but -- but supported by business communities, our local economic development organizations, our chamber of commerce, our realtors, and the high threshold of sixty-seven percent of each -- each municipality, locally, has supported resolutions supporting this proposal. This will keep Illinois as the number one destination point for major soccer tournaments in the nation. Just this last weekend - and some of you have children that are in there - we had teams from six states spending a week in Illinois, leaving their dollars here. If we don't get this project done, unfortunately, those national projects go to states like Kansas or go to Florida. This helps Illinois reclaim number one spot, and I would urge support for this great piece of legislation.

And this just restores that. It was a scrivener's error. Does not grant anything that they do not have. I do want to add that the scrivener who made this error, consistent with North Korean policy, has been shot.

PRESIDING OFFICER: (SENATOR HARMON)

Senator Bertino-Tarrant.

SENATOR BERTINO-TARRANT:

Thank you -- thank you, Mr. President, Members of the Senate. This is an initiative brought to me by the School Management Alliance. 2321 allows a school board to excuse pupils in grades nine through twelve enrolled in a show choir program for credit, taught by a certified teacher, from engaging in physical education courses if those pupils request to be excused for participation in such show choir, and only excused for one semester per school term, and the show choir emphasizes dance-type movement with singing. I would like to -- since that was a little complicated, I would like to stress some points to this bill. Currently, school districts can grant high school students an exemption from physical education to complete coursework necessary for admittance into institutions of higher education or for participation in varsity sports, ROTC, or marching band. This bill only applies to schools that offer school choir for -- school show choir for credit. Dance has to be an essential part of this bill, which has proven to be a great cardiovascular workout, as well as often found in P.E.

curriculum. It does address physical activity goals suggested by the State Board of Education. And students enrolled in show choir will still receive health education at least four semesters -- and four semesters of traditional physical education. Thank you.

PRESIDING OFFICER: (SENATOR HARMON)

Is there any discussion? Senator McGuire, for what purpose do you seek recognition?

SENATOR MCGUIRE:

Questions of the sponsor, Mr. President.

PRESIDING OFFICER: (SENATOR HARMON)

Sponsor indicates she'll yield.

SENATOR MCGUIRE:

Thank you. Senator, will the decision be up to each local school board whether or not to grant the exemption?

PRESIDING OFFICER: (SENATOR HARMON)

Senator Bertino-Tarrant.

SENATOR BERTINO-TARRANT:

Yes, it will.

PRESIDING OFFICER: (SENATOR HARMON)

Senator McGuire.

SENATOR MCGUIRE:

Would this bill exempt students in all music courses -- all music classes?

PRESIDING OFFICER: (SENATOR HARMON)

Senator Bertino-Tarrant.

SENATOR BERTINO-TARRANT:

No, it will not. This is specific to show choir. And, once again, in the bill, dance has to be an emphasis. So it is

dance and music.

PRESIDING OFFICER: (SENATOR HARMON)

Sponsor indicates that she will yield. Senator Righter.

SENATOR RIGHTER:

Senator, I notice among the short list of opponents is the American Heart Association, and I want to ask you just -- one simple question is, based on your experience or knowledge of show choir and the provisions in this bill, is it reasonable to expect that a child involved in this activity would get a pretty good cardiovascular workout during the practices?

PRESIDING OFFICER: (SENATOR HARMON)

Senator Bertino-Tarrant.

SENATOR BERTINO-TARRANT:

Yes. Well -- and I'm going to answer this basically just on observation, 'cause I've never been involved in it personally, but show choir is a very physical activity and, like I said, in this bill, it does completely emphasize the dance component. And from discussions with the school board member who -- and -- and children in this, they can go up to practices from forty-five minutes to two hours on a nightly basis while they're in -- in season. So I would have to say this is an extreme physical sport.

PRESIDING OFFICER: (SENATOR HARMON)

Senator Righter. Is there any further discussion? Any further discussion? Senator Holmes, for what purpose do you rise?

SENATOR HOLMES:

Question of the sponsor.

PRESIDING OFFICER: (SENATOR HARMON)

The sponsor indicates that she will yield.

SENATOR HOLMES:

This bill, which I do notice that the IFT and the IEA are opposed to, does this require a waiver to be out of P.E. class?

PRESIDING OFFICER: (SENATOR HARMON)

Senator Bertino-Tarrant.

SENATOR BERTINO-TARRANT:

It does allow a student to be exempt from P.E. during the semester -- for up to one semester while they are in show choir, yes.

SENATOR DELGADO:

Will the sponsor yield, Mr. President?

PRESIDING OFFICER: (SENATOR HARMON)

Sponsor indicates that she will yield. Senator Delgado.

SENATOR DELGADO:

Senator, I want to -- as you know, we had a very hectic day that day in committee. As the Chairman of Education Committee in the Senate, we were presenting some very controversial bills that day. And due to our great leader on the other side -- as one of the last bill's coming through, I remember looking up at one of my leaders over there and he did a quick okay. And we had handled a moratorium bill and I think the waivers for school districts, et cetera. And this one -- if you know my reputation here, I'm a great supporter of the Illinois Association of Physical Educators, Recreation and Dance {sic} (Illinois Association for Health, Physical Education, Recreation and Dance), which is called IAHPERD. And I've led a -- championed over the last fifteen years in trying to make sure that physical education is vital and necessary. I inadvertently gave an okay on my vote to let this out of committee. However, it strongly concerns me, as America and Illinois, as we continue to find these waivers for -- for choir, for any little reason that we

try to take 'em out of physical education. It has created more type 2 diabetes in this State. Less than thirty-five percent of our men are able to go to -- to enlist in the Army, due to obesity and other chronic disorders. I have to rise in total opposition to this legislation, as there is a strong movement to try to make sure -- as these professors and teachers write those waivers and then drive off to Bally's and work out themselves, we don't have children having the same opportunity. If we keep waiving 'em out of physical education, as they're sitting home doing less and less and doing more on computers -- I would suggest to the Legislature to please take a good look at this piece of legislation. I -- I honor the lady in terms of her -- her quest and trying to assist in her community; however, I think the timing is off. I would -- I -- I definitely -- and especially would not ask -- I would ask you to search your soul on this one, because if we go down this road, this -- in the area of public health - and by the way, right before I became Chairman of Education, I'm the former Chairman of Public Health - that this issue continues to be one that's very contentious in the State. So, on behalf of all the schoolchildren that need to get out there and exercise in physical education, for all the children in recess, for the organization of IAHPERD, I would ask that the Senate say -- let's say Present. Let's pull this out of the record right now. Let's reconsider it, so I can take this and move on forward. If not, I would ask all the General Assembly Members here to vote Present or No.

SENATOR MUÑOZ:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. Senate Bill 1693 amends the Illinois Identification Card Act and the Illinois Vehicle Code to allow peace officers to provide their work address instead of their home address when applying for an Illinois Identification Card, driver's license, or an instruction permit. I know of no opposition. When I introduced it, there were a couple of questions in committee. One was why we were doing this. One of the reasons we were doing this, last year, during the NATO, protesters -- there were some instances where people showed up threatening officers' families. About a year prior to that, we passed legislation for judges to use their work address on their Identification Card. So this is what we want to do for our peace officers throughout the State of Illinois, not only for the City of Chicago, but for

all peace officers that are working as first responders. One of the questions in committee is, what happens when you go to the airport and you're going through TSA? The simple answer is that -- we called them. We had the FOP talk to their boss there, and their simple answer was that the ID doesn't need to be a driver's license, and other acceptable forms, such as a passport, do not have addresses on them. So, the only time it comes into play is when you don't have any type of ID - that's when you're going to run into a problem. And the second question was, what happens when you go to early voting and you show your ID? If there is any problems, the Board of Election said that you can just take a copy of your bill, whether it's a water bill, electrical bill. That's what they currently do now if there's any questions regarding your identification. And I will attempt to answer any other questions.

PRESIDING OFFICER: (SENATOR HARMON)

Is there any discussion? Any discussion? Seeing none, the question -- oh! Senator Martinez, I'm sorry. For what purpose do you rise?

Floor amendments reported, Mr. President.

PRESIDING OFFICER: (SENATOR MUÑOZ)

Those bills just read by the Secretary shall be placed on the Order of 3rd Reading. Senator Oberweis, for what purpose do you seek recognition?

SENATOR OBERWEIS:

Mr. President, a point of personal privilege.

PRESIDING OFFICER: (SENATOR MUÑOZ)

State your point.

SENATOR OBERWEIS:

Mr. President, I'm -- I am new to Springfield, and as I was driving here this morning, I was listening to 970 Talk Radio. And on the radio, they were talking quite a bit about the safety of teddy bears, and I would like to ask Senator Kotowski if -- since his name was mentioned at length in that ongoing discussion, if he could fill us in a little more on what is happening in that area of the safety of teddy bears.

PRESIDING OFFICER: (SENATOR MUÑOZ)

Senator, I -- I think you need to talk to him in person on the teddy bear issue.

SENATOR OBERWEIS:

No -- no public response or comment to that discussion?

PRESIDING OFFICER: (SENATOR MUÑOZ)

I don't think he's -- has any idea what you're talking about. Senator Kotowski.

SENATOR KOTOWSKI:

I -- I've been asking for people to use my name in debate for a long time now and you -- finally happened and I really have no response. But, thank you for finally doing it.

PRESIDING OFFICER: (SENATOR MUÑOZ)

Senator Oberweis. We will be at ease for a couple of minutes. (at ease) We will now proceed to the Order of Resolutions Consent Calendar. With leave of the Body, all those resolutions read in today will be added to the Consent Calendar. Mr. Secretary, have there been any objections filed by {sic} any resolution on the Consent Calendar?

SECRETARY ANDERSON:

No objections filed, Mr. President.

PRESIDING OFFICER: (SENATOR MUÑOZ)

Is there any discussion? If not, the question is, shall the resolutions on Consent Calendar be adopted. All those in favor, say Aye. Opposed, Nay. The Ayes have it, and the motion carries. And the resolutions are adopted. We will now return to Senate Bills 2nd Reading. President Cullerton, do you wish to have the following bills that appear on today's regular Calendar on the Order of 2nd Reading -- for the second time? The Senate Bills are 3 to 8, 11 to 19, 112 to 113, 115 to 201, 203 to 205, 221 to 223 to 271 {sic} (203, 205 to 221, 223 to 271), 273 to 332, 334 to 335, 337, 339 to 446, 449 to 491, 495 to 571, 573, 575, 577 to 621, 624, 626 to 736, 738 to 821, 823 to 846, 848 to 921, 925 to 1002, 1005 to 1041, 1043 to 1096, 1098 to 1146, and 1148 to 1151.
