First, I'd like to introduce the Lady Potters and their Head Coach, Bob Becker, and Assistant Coaches, Rodney Knuppel and Megan Hasler, who are the 3A State Champions. The other group I'd like to recognize is the golf team from Morton. The Potters are led by Head Coach Tommy -- excuse me, Head Coach Jamie King and Assistant Coach Jake Tierney. I'd ask the Members of the General Assembly and the guests in the gallery to please recognize them as they stand. And congratulations.

PRESIDING OFFICER: (SENATOR HARMON)

Will our guests in the gallery please rise and be welcomed to the Illinois State Senate. Congratulations. Senator Koehler, for what purpose do you rise?

SENATOR KOEHLER:

For the purpose of an introduction.

PRESIDING OFFICER: (SENATOR HARMON)

Please make your introduction, Senator.

30th Legislative Day

I'm very pleased to have several Pages joining me today. They're from Pekin High School, and I'll introduce two that are right behind me and then two that are in the gallery. Ashton -- Ashton Quotskyva - is that right? Quotskyva. I knew that I'd -- she spelled it out phonetically for me as well. Annika Rockhill, sitting right behind. We have in the gallery -- we have Jayce Parrish, who is a student, and then we have their teacher, Colleen Kahl, who has been a social studies teacher at Pekin High School for eighteen years. She currently teaches American government and psychology. She is also the head of the student council and the National Honor Society. This year, she will earn a master's degree in politics and government from ISU next month. What's unique about these students is that just last week at Pekin High School -- every semester they do a mock legislative session, where they organize themselves into Republicans and Democrats and they go through the whole process of creating legislation. In fact, I think that Annika, here, was Speaker of the House. Is that right? Huh? Oh, Majority Leader, I'm sorry. And so I've asked them as well to just kind of observe what we're doing and give us any pointers, if they can. But I'd like the Senate to give them a good welcome.

PRESIDING OFFICER: (SENATOR HARMON)

Will our guests please rise and be welcomed to the Illinois State Senate? We're glad to have you with us here today. Ladies and Gentlemen of the Senate, we are going to turn shortly to the Order of Senate Bills 2nd Reading. Again, this is the last scheduled opportunity to advance your bills from the Order of 2nd Reading to 3rd Reading. I'd ask all Members within the sound of -- my voice to be at their desks. Senator Connelly, for what

purpose do you rise?

SENATOR CONNELLY:

For purposes of an introduction, Mr. President.

PRESIDING OFFICER: (SENATOR HARMON)

Please state your introduction.

SENATOR CONNELLY:

Thank you, Mr. President, Members of the Senate. I'd like to introduce my Page for today, Jack Kavanagh. Jack is seventeen years old. He's a junior at Hinsdale Central. He's a starting lineman on the varsity football team. He's interested in law and politics, but he says his favorite thing is telling his friends at school that my uncle Mike is a State Senator, so it's kind of exciting in that respect. His parents are John and Ann Kavanagh. John, my brother-in-law, is behind me here in the gallery. And, no, for those of you who've read the story about my brother-in-law in a Turkish prison, that's not my brother-in-law who served time in a Turkish prison. So I'd like a warm welcome for my nephew, Jack Kavanagh.

PRESIDING OFFICER: (SENATOR HARMON)

Jack, welcome to the Senate. Glad to have you. Senator Rose, for what purpose do you rise?

SENATOR ROSE:

Thank you, Mr. President. I'm honored today to have standing next to me, Adam Hudson. Adam is the Illinois High School IHSA 160-pound Class 1A State Wrestling Champion. He won the wrestling championship on February 21st after an undefeated career of 43-0, which is pretty amazing. His Head Coach is Greg Harkins, in the gallery, who's sitting with his -- with Adam's parents, Sherri and Brad Hudson. And he was named Wrestler of the Year for the Herald

& Review. He's a Shelbyville High School student currently, where he's a senior, and he also plays football. Next year, he'll be attending Campbellsville University, where he plans to wrestle, and he's going to major in environmental science. And in his spare time, which I can't imagine he has any after going 43 and 0 to a State Championship, but he likes to hunt, fish, and trap. So, if we can welcome him and congratulate him on winning the State Wrestling Championship.

PRESIDING OFFICER: (SENATOR HARMON)

Want to invite everyone to come. We'll be honoring Supreme Court Justice Anne Burke, one of the founders of Special Olympics right here in Illinois some forty -- I believe, forty-six years ago. 4/21/2015

Thank you, Senator, and welcome, Sara. Senator Muñoz, for what purpose do you rise?

SENATOR MUÑOZ:

Thank you, Mr. President. For a point of personal privilege.

PRESIDING OFFICER: (SENATOR HARMON)

Please state your point, Senator.

SENATOR MUÑOZ:

Mr. President, Ladies and Gentlemen of the Senate, I have here with me today a very good friend of mine. He's also a constituent of mine. But I'd like to introduce you to David Chaparro, who was a Marine who served three tours in Iraq. He's been home for a couple of years now. He's been working great in the community. If we can welcome him to the Senate, I would greatly appreciate it.

PRESIDING OFFICER: (SENATOR HARMON)

Welcome to the Senate. We're delighted to have you here with Senator Muñoz. Senator Haine, for what purpose do you rise?

SENATOR HAINE:

Point of personal privilege, Mr. President.

PRESIDING OFFICER: (SENATOR HARMON)

Please state your point, Senator.

SENATOR HAINE:

I just want to express my personal gratitude and that of many, many citizens in my Senate district to the Chair of the Appropriations Committee I, Senator Heather Steans, and also Senator Andy Manar, Senator Pat McGuire, Senator Chapin Rose, for -- and our staff, Kristin Richards, for having this hearing in Edwardsville at Southern Illinois University on Friday. They took time out of their busy schedule to come to my district to hear the

effects, the ill effects, of these proposed budget cuts, stemming from the Governor's - it's not actually a bill; I guess it's a proposed bill, whatever that means - on the citizens of my district. And, again, I just want to express my gratitude for their diligence above and beyond their -- their -- their -- their duties and I know it's taking time out of their busy schedules. Thank you, Mr. President.

Thank you. If I could have the attention of the Chamber? I'd like to welcome today Isaiah Martinez. He's a redshirt freshman at the University of Illinois. And if his name is familiar, it's because he was recently the national champion wrestler after a 35 and 0 season. He was undefeated. Isaiah, would you -- thank you. This is important because he is the first freshman in fifteen years to win a national championship with an undefeated record. This is incredibly impressive. He's a California native. He's a sociology major at the University of Illinois and we're very proud to have him in our midst. I would also like to welcome his coach. Would you stand, please? Coach Jim Heffernan. This is his -- he just finished his sixth season at the University of Illinois as our wrestling coach. He's mentored nine national champions in the last seventeen seasons and he's a national champion himself. He was the 1986 NCAA champion, as well as being a four-time Big Ten champion. So if you'd please welcome Coach Jim Heffernan and Isaiah Martinez.

PRESIDING OFFICER: (SENATOR HARMON)

Isaiah and Coach, welcome to the Illinois State Senate. Congratulations on the season. Continuing on the Order of Senate Bills 2nd Reading, Senate Bill 1729. Senator Steans. Senator Martinez -- or, Senator Muñoz, for what purpose do you rise?

Senator Lightford.

SENATOR LIGHTFORD:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. Senate Bill 730 is a bill that we actually passed out of the Senate. The House did not entertain it, so we're reintroducing it. It increases the TANF pass-through for families receiving child support. Currently, they receive fifty dollars a month using a tiered system approach: one -- one hundred dollars for a family

STATE OF ILLINOIS
99th GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

30th Legislative Day

with one child or two hundred for a family with two or more children. Our goal is to increase that number. I'd be happy to answer any questions and, again, we have passed this from this Chamber once before.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Senator Righter, what purpose do you rise?

SENATOR RIGHTER:

Would the sponsor yield, please, Mr. President?

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Sponsor said she will yield.

SENATOR RIGHTER:

Senator, can you tell me, does this bill have a fiscal impact?

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Senator Lightford.

SENATOR LIGHTFORD:

We believe that it does according to testimony from DHS. They're suggesting that it could be a one-million- to a 1.5-million-dollar impact. The goal is to have it align with the federal government, which, right now, the federal government gives that return higher than what we do. So, if a -- a family member, a man or a woman, pays child support to their child, whatever that amount is, they're only receiving fifty dollars and we know that that's not enough. So we're looking to increase that to one hundred or two hundred dollars, depending on how many children, and we know that is good policy over long term. It also garners that sixty-six percent federal match.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Senator Righter.

SENATOR RIGHTER:

STATE OF ILLINOIS
99th GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

30th Legislative Day

4/21/2015

I'm sorry, can you elaborate on -- in -- to get in line with the federal system? I'm not sure I understand exactly what that means.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Senator Lightford.

SENATOR LIGHTFORD:

I'm sorry, Senator, can you repeat that for me?

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Senator Righter.

SENATOR RIGHTER:

You made the comment that it would be in line with what the federal government does, or words to that effect. I'm not sure I understand exactly what you mean in that regard.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Senator Lightford.

SENATOR LIGHTFORD:

So here's the understanding, Senator. That the State authorizes other states to be able to increase their amount and - and not sixty-six percent. I'm sorry, I should have said fifty percent of the federal match.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Senator Righter.

SENATOR RIGHTER:

Okay. You said the State authorizes other states to do it. I'm not sure -- help me with that. Did you mean the federal government allows the states to do this? But the -- the match is the same match that we're getting now. Is that -- is that -- I mean you said -- you said sixty-six percent, then you said -- you corrected yourself and said fifty. So we don't get an enhanced

STATE OF ILLINOIS
99th GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

30th Legislative Day

4/21/2015

match for doing this. Is that -- is that accurate?

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Senator Lightford.

SENATOR LIGHTFORD:

So then the federal government will waive their portion and that's how the -- the match actually happens. And I did say sixty-six percent prior to, but it's fifty percent, Senator. And it is, the federal authorization has given states to be able to increase their dollar amount.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Senator Righter.

SENATOR RIGHTER:

I -- I'm sorry, Senator. The federal government waives its portion. I -- it's my understanding that there is a match involved from the federal government with the State on this program and that that will remain at fifty percent even if we -- if this becomes law and we disregard the first hundred dollars of child support and two hundred dollars of child support for a family with more than one child if for purposes of TANF. When you said that the federal government will waive its portion, what does that -- what does that mean?

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Senator Lightford.

SENATOR LIGHTFORD:

So, Senator, here -- here's the deal. So, right now, there's a TANF grant that goes to the family, and so the families that are receiving the child support portion, then this would supplement that amount, so then the federal government will waive their portion of the TANF grant payment to that same individual.

STATE OF ILLINOIS
99th GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

30th Legislative Day

4/21/2015

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Senator Righter.

SENATOR RIGHTER:

Can -- they will waive -- I mean, right now, the federal government contributes to the family through the grant. So, when you say they will waive their portion, what does that mean? Maybe you can give me a hypothetical or an example, Senator. Maybe that would help me understand better.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Senator Lightford.

SENATOR LIGHTFORD:

So there's a portion that the federal government assesses and if we go over the amount of the hundred dollars, 'cause currently we are at fifty dollars. Federal government is allowing us to go fifty percent higher. So if we go over that amount, then there will be an amount assessed by the federal government. This bill is attempting to just go up to that threshold of a hundred dollars per individual child and two hundred for two kids or more. Then that way we wouldn't be assessed any fees for the federal government. They will waive that amount, because we're just simply at their threshold.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Senator Righter.

SENATOR RIGHTER:

To the bill, if I might, Mr. President.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

To the bill, please.

SENATOR RIGHTER:

Thank you. Ladies and Gentlemen of the Senate, the bill will

99th GENERAL ASSEMBLY
REGULAR SESSION

move the State's willingness to not consider child support payments to the maximal allowed by federal law. There is a fiscal impact. It ranges somewhere between the million or million and a half that Senator Lightford referred to, to six million dollars. We don't know exactly where that falls. The question for this Body is whether or not now is the time to be extending greater benefits, quite frankly, under any program when, on the other hand, a few weeks ago we voted to cut programs out of recognition that the fiscal year '15 budget was unbalanced and the fiscal year '16 budget looks even more daunting. With that, it seems to me this is not a time to be increasing spending on that front and I would urge a No vote.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Senator Lightford, to close.

SENATOR LIGHTFORD:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. It's a little complicated and, Senator Righter, thanks for the questions. But HFS plays a role in this because they're actually the department that administers the child support. DHS has a role in it as it relates to the alignment with federal dollars. So, actually, both agencies are involved. Last year, when we passed this measure out, both agencies was working together and they were willing to come up with the additional dollars that's needed, which was HFS. So HFS is not opposed to this bill. I'm not exactly sure if they're going to work something out with DHS as they suggested they would last year for this bill. But what's really important to note is that the family benefits. If you have a family that has been divorced and the father is paying child support or the mom is paying child support, that mom or dad is

STATE OF ILLINOIS
99th GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

30th Legislative Day

only receiving fifty dollars out of the amount of child support that they're paying. So if they're paying an -- an extreme amount of money, but only fifty dollar goes to their child, perhaps this would be an incentive to keep that father motivated to pay child support or to keep that mother motivated. It also puts that additional dollars into their home, which would allow them a better support system. And so I would urge an Aye vote and then allow the Department -- allow the Governor an opportunity to either veto it, if he feels there's no funding for it, or allow the Department to determine whether or not this child support portion is important enough to help remove families off of TANF. If we don't begin to subsidize these families with their own money, then they continue to stay on the rolls. So this is an effort to also help them so that they can become more self-sufficient and move themselves off of the TANF rolls. I encourage an Aye vote.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Thank you, Senator Lightford. And the question is, shall Senate Bill 730 pass. All those in favor, vote Yea. Opposed, Nay. The voting is open. Have all voted who wish? Have all voted who wish? That's an insurance company created for high risk by hospitals or industrial insureds and it relieves a taxation burden upon them that was included in a bill of surplus lines and it was a mistake. Last summer, Governor Quinn signed it into law and this is the fix. That bill was never intended to do anything other than tax surplus lines, but not captive insurers. I know of no opposition to the bill and I will answer any questions.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Any discussion? Seeing no question -- discussion, the question is, shall Senate Bill 1610 pass. All those in favor will vote Yea. Opposed, Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 55 voting Yea, no voting Nay. Resolution 52. Senator Mulroe. Mr. Secretary, please read the resolution.

SECRETARY ANDERSON:

Senate Resolution 52, offered by Senator Mulroe.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Senator Mulroe.

SENATOR MULROE:

Thank you, Mr. President and Members of the Senate. Senate Resolution 52 was brought to me by a constituent -- or, actually, it was a constituent of Senator Kotowski's district. This resolution talks about August 14th, 1945, and its significance to -- in American history. It's the day that was designated as the end of World War II. It was the day that Japan officially surrendered to the United States. The whole idea of the resolution is to remind us all and our younger generation the significant {sic} and the price paid by all the brave men and women who sacrificed their lives in that war - not only them, but all the brave and -- men and women that sacrifice their -- their life for us to maintain our freedoms and everything else we enjoy in America as they serve to protect -- protect all of us. And in the words of Shel Newman, who brought this to me: This is our family we are talking about, these are our relatives -- in a sense, we have -- and in a sense, we have an obligation to pause a moment and reflect on what they did for us... They really struggled and sacrificed and we need to remind everyone and continue to tell their story. Thank you very much.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Any discussion? If not -- Senator Haine, what purpose do you rise?

SENATOR HAINE:

To the resolution, Mr. President and Ladies and Gentlemen of the Senate.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

To the resolution.

SENATOR HAINE:

I appreciate very much Senator Mulroe bringing this resolution before the Senate. Those of us who are -- whose fathers or brothers were in World War II, those of us who remember the history of World War II can only recall with gratitude all of those who served. And we can only say, as Franklin Roosevelt said, that those who did not return may God, the Father, embrace them for what they died for. Given the fact that World War II was, along with the Civil War, the defining war in the history of the United States when we fought for our survival as a nation of free men and women, we must recall and always remember the service of those who fought and died and those who fought and came back and raised families and became productive citizens of the greatest nation on earth. Thank you, Mr. President.

PRESIDING OFFICER: (SENATOR SILVERSTEIN)

Thank you, Senator Haine. There being no discussion, the question is, shall Senate Resolution 52 pass. All those in favor, vote Yea. Opposed, Nay. The Yeas have it, and the resolution is adopted.
