SENATOR OBERWEIS:

Ladies and Gentlemen, it is my great honor and privilege to introduce to you a true dynasty. The Yorkville Foxes have won the State Championship for Cross County five years in a row. And they are really good, let me tell you. They'd already been pressing me for ice cream before we even came in. So I'd like to have a -- a real round of applause for a real championship team here.

SENATOR REZIN:

Thank you, Senator Oberweis. And I too share in his congratulatory comments for a job well done. It's a huge accomplishment to all of these young leaders behind us. I'd also like to acknowledge - there's so many people that work very hard with this young group of leaders behind us - Head Coach Chris Muth, Ben Draper, Lauren Vriezen -- Vriezen - did I get that correct? - and Alvin Lewis. Thank you so much for all of your hard work and

dedication to be great leaders and great role models for these young adults behind us. And I think, as this group met with the Governor before they came here, one of the ladies in this group asked a question that the Governor has never been asked before, ever. So she created history. And that question is, who -- who do you hang out with? So, who's your homie? So -- and -- so the Governor enjoyed that conversation and enjoyed meeting this very bright group of young adults behind us. And we look forward to seeing you next year up here, just like this year. Thank you.

Senator Cullerton.

SENATOR J. CULLERTON:

Thank you, Mr. President, Members of the Senate. Senate Bill 513 in its present form is a shell bill that I was -- would ask you to pass over to the House. Our intent is to add an amendment to extend the Lottery Department's Internet pilot program. This is a four-year program that expires on March 25th, 2016. It's kind of an unusual sunset date. This bill came out of our capital bill that we passed a number of years ago to help pay for our --

our road program. And because of this date of -- the expiration, March 25th, I'd like to get a bill over to the House, given their limited schedule. We can hopefully do this the first week of March. If it is allowed to sunset, we won't be able to sell lottery tickets over the Internet. Those sales have generated almost eleven million dollars in fiscal year '15, thirteen million in fiscal year '14. I'm aware of the fact that I think Senator Syverson has a bill on this as well, so we would hope that this would be a bipartisan effort to extend the deadline. Be happy to answer any questions and ask for an Aye vote.

PRESIDING OFFICER: (SENATOR TROTTER)

Thank you. Is there any discussion? Leader Murphy.

SENATOR M. MURPHY:

To the bill, Mr. President. I appreciate the President's work on this bill. I -- I do think this should be a bipartisan effort and encourage Aye votes on our side of the aisle as well. Thank you.

PRESIDING OFFICER: (SENATOR TROTTER)

President Cullerton, to close. No. We'll move on. The question is, shall Senate Bill 513 pass. All those in favor will vote Aye. Opposed, Nay. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 36 Ayes, 4 Nays, and 0 voting Present. Senate Bill 513, having received the required constitutional majority, is declared passed. Mr. Secretary, Introduction of Senate Bills.
