Thank -- thank you, Mr. President, Ladies and Gentlemen of the Senate. This is an -- an initiative that grew out of discussions in my area and Senator Manar's area with people who ride horses. They would like to have the State of Illinois look at expanding the recreational bridle paths in the State because they're actually diminishing in number. And we would -- we would ask that the -- the -- His Excellency the Governor appoint one member from each of the following agencies or interest groups: DNR; Department of Transportation; Agriculture; a member from an entity or association that has vested interests in where paths exist or may exist, including, but not limited to, bridle paths,

SENATOR STADELMAN:

Thank you, Mr. President and Members of the Senate. Senate Joint Resolution 44 establishes a task force that would look at establishing a 24-hour nurse hotline. This is modeled after a hotline that was created in the State of New Mexico. It's kept tens of thousands of people in that state out of emergency rooms and saved the state more than sixty-eight million dollars in healthcare expenses. It's been so successful that the U.S. Centers for Disease Control and Prevention has recommended that it serve as a model for other states to create a similar nurse's hotline. This resolution will simply -- simply create a task force here in the State of Illinois to discuss whether this would be a -- a viable plan for the State of Illinois.
